Dear Customer:

Our records show that we have not received evidence of a new or renewal insurance policy covering your house. It appears that you do not have insurance as of the expiration date shown above. The terms of your mortgage or deed of trust requires you to continually maintain acceptable hazard insurance coverage on your property and permits us to purchase it at your expense if you fail to do so. Therefore, we are alerting you for a second time that we have not received acceptable insurance policy information covering your property. Your current hazard insurance policy is no longer effective as of the expiration date shown above.

Please read the important information and instructions contained in this letter.

As we informed you in our first notice, your loan agreement requires you to maintain hazard insurance covering your home that is in effect at all times, in the form and amounts we require, and protecting our interest. If you fail to maintain this insurance effective from the expiration date shown above, or fail to provide us with proof that you have insurance, we may purchase hazard insurance beginning from that date, based on the amount of coverage of your previous acceptable hazard insurance policy, if available, and charge you for the cost of the insurance. The cost of the insurance we purchase is likely to be much higher than the cost of coverage you could obtain on your own. You have the right to purchase insurance from the insurance company of your choice.

We urge you to consider the following:

- **The cost of the hazard insurance we obtained is likely much higher than insurance you can obtain on your own.** The higher cost is because the insurance we purchased is issued automatically without evaluating the risk of insuring your property. When comparing premiums, remember that our policy provides very limited coverage as indicated below.
- **The hazard insurance we obtained may provide benefits to you, but is primarily for the benefit of the owner of your mortgage loan.** If you incur property damage or loss, you may not have adequate coverage for any damages that you suffer because the owner of your loan will be paid first.
- **The hazard insurance we obtained only covers the structure of your home (for example, the building, walls, floors, roof and permanent attachments).**
 - It does not cover your furniture or any of your other personal belongings.
 - It does not cover the cost of temporarily living outside of your home because it was damaged and is being repaired.
 - It does not cover any liability incurred by you personally to someone who is injured while on your property.

- The hazard insurance we obtained does not cover any amounts you feel your home is worth in excess of the last amount of dwelling coverage that you obtained and we entered on our records. If we did not know the last amount of insurance coverage you had, we purchased coverage in the amount of the unpaid principal balance of your loan on the date we requested the insurance coverage to begin. The hazard insurance we obtained does not cover any amounts you feel your home is worth in excess of the last amount of dwelling coverage that you obtained and we entered on our records. If we did not know the last amount of insurance coverage you had, we purchased coverage in the amount of the unpaid principal balance of your loan on the date we requested the insurance coverage to begin. If you have information to verify that the amount should be different, please notify us. This request must be submitted in writing and should be sent to the address shown on the first page. Please remember to put your Ocwen account number on your letter.

If we have to purchase such limited hazard insurance and you want to have Contents and Liability coverage, you must either purchase it yourself, from an insurance company you choose, or you have the option of completing and submitting the attached Contents and Liability Offer Form to the named insurance company. Note: Contents and Liability are not afforded for commercial and mobile home properties, and properties located in the States of Alaska, Illinois, Connecticut, New Jersey and Ohio.

- The hazard insurance we obtain will not cover any amounts you feel your home is worth in excess of the last amount of dwelling coverage that you obtained and we entered on our records. If we did not know the last amount of insurance coverage you had, we purchased coverage in the amount of the unpaid principal balance of your loan on the date we requested the insurance coverage to begin. If you have information to verify that the amount should be different, please notify us. This request must be submitted in writing and should be sent to the address shown on the first page. Please remember to put your Ocwen account number on your letter.
- The hazard insurance we purchase will be effective beginning on the date that your previous acceptable insurance expired or was cancelled (regardless of whether or not your policy provided insurance coverage to the owner of your mortgage loan after that date). Insurance that protects only the owner of your loan after your policy expiration or cancellation date is limited insurance that is not acceptable insurance coverage to us. It will be superseded by the acceptable hazard insurance policy we purchase.

We strongly recommend that you obtain your own insurance coverage. To ensure compliance with your loan agreement, here's what you need to do:

If you do not have a current policy covering your property, please contact your agent or carrier and purchase coverage. If you have already purchased coverage, please contact your agent or carrier and have them fax a copy of the declaration page to 1-888-882-1816, e-mail it to us at updateinsuranceinfo@ocwen.com, or it can be mailed to us at the address shown below. Please make sure your policy references your Ocwen loan number, and ensure that the Mortgagee Clause on your policy reads:

You may also visit www.mycoverageinfo.com using a PIN number of REDACTED and provide us with your insurance information. You may also have your agent contact us at 1-866-825-9265 to provide us with updated insurance coverage information.

Because we did not receive proof of acceptable coverage, Ocwen has secured insurance on your property for up to sixty (60) days under the policy described in the enclosed Insurance Binder. This binder cannot be renewed. It covers your house for risks of direct loss subject to the terms of the policy. It does not protect your personal property, nor does it protect you for liability against injuries that occur on your property. For example, if your property were burglarized, it would not cover the stolen property.

If you do not give us proof that you have coverage before the end of the binder period, we will obtain a one-year policy on your property. The full year premium for this policy is shown on the enclosed Insurance Binder. Since this policy will insure your property without inspection, the cost of the premium may be much higher than the amount you would normally pay. The coverage provided may be less than you had before. This premium will be charged to your escrow account at the end of the binder period. If you do not have an escrow account, one may be established. Your monthly mortgage payment may be increased to include the cost of this policy, or you will be billed directly.

The Insurance Binder will provide insurance coverage against loss to your dwelling until either the date we receive proof of acceptable insurance coverage from you or, if we do not receive such proof, the date we purchase an annual insurance policy, which will be effective as of the expiration date shown above. Even if you obtain acceptable coverage, please be aware that if the effective date of your acceptable coverage is after the expiration date of your previous homeowner's insurance policy, you will be charged for the number of days that coverage was provided under the Insurance Binder.

Any policy we purchase on your behalf may be canceled at any time by giving us acceptable proof of other insurance. Upon prompt receipt of your policy, this coverage will be canceled. You will only be charged for the days that this policy was needed. There is no charge to you if there has been no lapse in coverage. Any unused premium will be refunded to your escrow account.

We have incurred expenses in placing this Insurance Binder and policy. Such expenses are recoverable by us as stated in your loan documents. Part of the policy premium charged to your escrow account may be used by the insurance carrier to reimburse us for these expenses.

You have the option, through the enclosed offer from the insurance carrier to purchase additional coverages. These additional coverages are not required in order to maintain your mortgage loan with us. The amount of insurance, premium and description of these coverages are listed and explained on the enclosed Request to Purchase Personal Property and Personal Liability Coverage form. To purchase them, you must sign and return the enclosed Request to Purchase Personal Property and Personal Liability Coverage form within 30 days of the date of this letter. If you choose the additional coverages, the premium will be charged to your escrow account or you will be billed directly.

Thank you for taking the time to help us resolve this matter. We appreciate the opportunity to serve you and look forward to meeting your mortgage needs. If you or your insurance agent have any questions or believe there is an error in our records, please call us at 1-866-825-9265 Monday through Friday between 8:30 a.m. and 9:00 p.m. Eastern Time, and one of our Customer Care Agents will be happy to assist you.

Sincerely,

Insurance Department
